NOTES:

¹ Subject to the clearing restrictions of the Water Recharge Overlay District and the Harbor Protection Overlay District. See § 255-3-65E and § 255-3-75D.

² Agricultural buildings and structures are subject to more restrictive coverage limitations. See § 255-11-88 (Agriculture).

³ These building and total lot coverage limitations shall only apply at the election of the property owner if existing building and lot coverage on an already improved lot has been rendered legally preexisting, nonconforming by L.L. No. 8-2005.

⁴ One hundred feet for lots in existence prior to 12-18-1984.

⁵ Subject to the relative height (pyramid law) restrictions of § 255-11-72D.

⁶ These setbacks shall only apply at the election of the property owner if any portion of the primary structure on an already improved lot has been rendered legally preexisting, nonconforming by L.L. No. 28-2004.

⁷ A flag lot shall have no front yard setback from its interior lot lines; the applicable setbacks from these lot lines shall be those for side and rear yards.

⁸ Side and rear yard setbacks for certain structures on nonconforming lots may be reduced pursuant to § 255-1-43D.

⁹ The setbacks for a principal building shall also be complied with by any garage, shed, deck, porch, patio, veranda or similar structure that is attached to that building. A stoop giving entry to the principal building shall not be required to meet these setbacks.

¹⁰ A lot has a front yard for every street on which it fronts. In the case of a waterfront lot other than an oceanfront lot, however, the yard opposite the water is a rear yard, even if it also fronts on a street. See § 255-1-20 (Lot line, front).

¹¹ Excepting the following structures, for which no minimum yards are required: driveways, walkways, below-ground wastewater disposal devices, fences and walls less than six feet in height, stoops, outdoor showers, Bilco doors, open cellar stairways, and furnace flues.

¹² Side and rear yard setbacks are doubled for swimming pools, including pool decks, slabs and patios and pool equipment pursuant to § 255-11-88, Swimming pool, Subsection (4).

¹³ Yard setbacks from all property lines are doubled for playing courts and must be at least 50 feet in depth adjoining residential property, pursuant to § 255-11-88, Playing court.

¹⁴ For a waterfront lot other than an oceanfront lot, the yard opposite the water is a rear yard, even if it fronts on a street. The rear yard required of an accessory building or structure on such a lot is double the normal rear yard for an accessory structure in that district, pursuant to § 255-11-74C.

NOTES:

- ¹ These setbacks shall apply to all lots unless any portion of the primary structure on an already improved lot has been rendered legally preexisting, nonconforming by Local Law #28 of 2004, in which case the property owner may opt to utilize setbacks based on the current residential zoning district of that lot as set forth in Part II of this Table.
- ² Side and rear yard setbacks for certain structures on nonconforming lots may be reduced pursuant to § 255-1-43D.
- ³ A flag lot shall have no front yard setback from its interior lot lines; the applicable setbacks from these lot lines shall be those for side and rear yards.
- ⁴ The setbacks for a principal building shall also be complied with by any garage, shed, deck, porch, patio, veranda or similar structure that is attached to that building. A stoop giving entry to the principal building shall not be required to meet these setbacks.
- ⁵ A lot has a front yard for every street on which it fronts. In the case of a waterfront lot other than an oceanfront lot, however, the yard opposite the water is a rear yard, even if it also fronts on a street. See § 255-1-20 (Lot line, front).
- ⁶ Excepting the following structures, for which no minimum yards are required: driveways, walkways, below-ground wastewater disposal devices, fences and walls less than six feet in height, stoops, outdoor showers, Bilco doors, open cellar stairways, and furnace flues.
- ⁷ Yard setbacks from all property lines are doubled for playing courts and must be at least 50 feet in depth adjoining residential property, pursuant to § 255-11-88, Playing court.
- ⁸ Side and rear yard setbacks are doubled for swimming pools, including pool decks, slabs patios and pool equipment pursuant to § 255-11-88, Swimming pool, Subsection D.
- ⁹ For a waterfront lot other than an oceanfront lot, the yard opposite the water is a rear yard, even if it fronts on a street. The rear yard required of an accessory building or structure on such a lot is double the normal rear yard for an accessory structure in that district, pursuant to § 255-11-74C.
- ¹⁰ These building and total lot coverage limitations shall apply to all lots unless existing building and lot coverage on an already improved lot has been rendered legally preexisting, nonconforming by Local Law # 28 of 2004, in which case the property owner may opt to utilize lot coverage standards based on the current residential zoning district of that lot as set forth in Part II of this Table.
- ¹¹ Lot coverage may be further restricted by the clearing restrictions of the Water Recharge Overlay District, the Harbor Protection Overlay District and the residential clearing provisions. See § 255-3-65E, § 255-3-75D and § 255-2-60.
- ¹² Agricultural buildings and structures are subject to more restrictive coverage limitations. See § 255-11-88 (Agriculture).
- ¹³ Clearing of more than 80,000 square feet requires site plan approval and special permit pursuant to § 255-2-60A(3).
